Peace in Action, Inc is an educational firm providing workshops, classes, and programs to help our clients create workplaces and study spaces that are more open, civil, welcoming, and inclusive. The curriculum and material were designed by two university professors to create a safe space to talk about Racism, Sexism and LGBT in the post pandemic world.

Peace in Action, Inc is a Small Business (SBE) and Women Certification Program (WBE) who supplies the tools for everyone to become kinder, and more understanding towards each other in more productive and healthier work or school environments.

What sets Peace in Action apart from the competition?

- The success of the partnership stems from the collaboration of two professors representing different cultures focusing on the common goal of providing services that speaks to the universe.
- Strategic mix of clarifying and building bridges between the confusion of hate and the clarity of acceptance.
- Performance Based-Learning
