RESEARCH:

- Writing and researching women CEO’s from Ancient Egypt to the late 19th century.
- Writing and researching my experiences as a Wall Street Stock Trader in the 80’s
- Writing multiple proposals for feminist presentations and publications.
- Researching and coordinating to train animal shelter workers and law enforcement officers the connection between animal abuse and domestic violence.
- Researching and coordinating domestic violence, sexual assault, human trafficking and LGBT issues for speaking and panel events.
- Crafting a class for Women and Gender Studies to cross section with the Business Department for the benefit of understanding financial statements, marketing, management and business law.
- Editing the research in textbooks for Sage Publications (Thousand Oaks, CA) and Pearson Publications (Hoboken, NJ).
- Writing a book about domestic violence, that focuses on the journey out and the aftermath of adjusting to a new life and women in business over the centuries.
- Researching the Social Construction of “fatherless” through a feminist lens

Grant Writer: (2005 to present)

I research and secure new funding by writing grants to foundations, corporations, private funders and coordinate with event planning for prospecting and networking.

The W.A.F.A. House, Passaic County, NJ – This is a domestic violence organization for Muslim women and participated with the annual gala.

The Town Hall, New York, NY – Concentrated on the Arts-in-Education and Community Outreach programs coordinating the Town Hall’s programming and the New York City public schools and participated with the annual gala.

Montclair State University Montclair, NJ– As a member of the \$60 million campaign wrote grants, prospected gifts and participated with event planning to network.

Equity Trader

Robb, Peck McCooley/Crédit Lyonnaise/E.F. Hutton
